

Brownsville Ascend Middle School

January 6, 2022

Hello BVMS Families,

Listed below are directions for logging into ringcentral for remote learning for scholar laptops that were distributed right before winter break. Please read and follow directions closely so that your scholar is able to access their virtual classroom.

Logging into Ringcentral

- 1.) Once you login and get to your computer's home screen please click the Ringcentral App.
- 2.) On the Ringcentral login screen, please click where it says "Join Meeting."
- 3.) Next, log onto your Advisory's Google Classroom and look for your class schedule with ringcentral links or Meeting ID's.
- 4.) Copy and paste the link of the class you are supposed to be in according to your schedule, add your name below that and then click "Join," and your teacher will let you in.
- 5.) Repeat this process for each class.

If you follow the directions above and are still having issues with logging into Ringcentral, please refer to and reach out to the number or email listed below.
